

The ChristenUnie (ChristianUnion) is a political party. Our political statements and political choices are based upon the Bible. The lessons we learned from Jesus Christ are still important en useful in 2010!

The ChristianUnion has the mission to serve the society politically by making God's will more present in its functioning. In order to reach this goal we aim for a strong influence and representation on every political level.

Politicians should practice what they preach. Quit the endless talking and discussions and start to act!

Why should you vote ChristianUnion?

The ChristianUnion stands up for the rights of refugees and asylum seekers . In 2006 we have accomplished a general pardon for 26.000 asylum seekers who had lived many years in The Netherlands.

Soft and hard drugs and addiction are a serious problems. We should protect our children for the serious risks of a alcohol or drugs addiction. Possession and dealing of drugs in school areas should be prohibited. **NO TO DRUGS**

A good and happy family live is important for both children and parents. A good, safe and warm family live is not always guaranteed. To improve a happy family live in a safe environment one of our political aims is a centre for family and youth. These centers provide information and education to parents and children.

Education is important. Your local government is responsible for good and safe school buildings. The ChristenUnie wants to improve older schoolbuildings.

The ChristianUnion wants a responsible treatment of our environment. Nobody should live in poverty. The ChristenUnion stands for a fare social system. People that are not able to raise a income should not be neglected. People with a minimum wage or less, do not have to pay local taxes.

Education is the best way to get a good job and a fare wage. Therefore we encourage people to study and learn the Dutch language.

The Dutch society is multicultural. Many political parties nowadays call this a problem. The ChristenUnion stands up for the right of those who came from abroad to live and work in The Netherlands.

Local taxes should not be raised without purpose . The ChristenUnion stands for a healthy financial system.
